Topic list for Year 9 maths exam

You will be taking your maths test on the 1st December. It will cover everything that you have learnt so far this term.

The topics we have covered are:

Index laws

- Multiplying
- Dividing
- Zero powers
- Fractional powers
- Negative powers

Calculations and estimating

Standard form

Solving equations (including those involving x on both sides, fractions and brackets)

Substituting into expressions

Writing and using formulae

Expanding double brackets

Pythagoras – finding long and short sides

Remember you can use Sparx to help you revise.

Good luck!
